AND
ASSIGNMENT AND ASSUMPTION AGREEMENT**

SURFACE TRANSPORTATION BOARD

BILL OF SALE AND ASSIGNMENT AND ASSUMPTION AGREEMENT (the "Agreement"), dated as of December 20, 2002, between ACF INDUSTRIES, INCORPORATED, a New Jersey corporation (the "Transferee"), and ACF ACCEPTANCE LLC, a Delaware limited liability company (the "Transferor").

WHEREAS: immediately prior to this Agreement being effective, ACF Acceptance VIII LLC and the Transferor entered into Bill of Sale and Assignment and Assumption Agreement dated as of the date hereof, pursuant to which ACF Acceptance VIII LLC transferred and assigned to the Transferor, among other things, the Equipment (as defined below), subject to the Lease (as defined below);

WHEREAS: the Transferee and the Transferor desire to enter into this Agreement, in connection with the transfer of, among other things, the Equipment (as defined below), subject to the Lease (as defined below), from the Transferor to the Transferee; and

WHEREAS: the parties also desire to carry out the intent and purpose of the transfer of the Equipment by, among other things, the parties' execution and delivery of this instrument evidencing the assignment by the Transferor of all of its rights, title and interest in and to the Lease to the Transferee and the assumption by the Transferee of all of the Transferor's obligations under the Lease.

NOW, THEREFORE, in consideration of the premises and of other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

1. For purposes of this Agreement, "Lease" means that certain Lease Agreement dated as of January 11, 2001 between the Transferor, as the lessor by assignment from ACF Acceptance VIII LLC, and BP Amoco Chemical Company, as the lessee, with respect to the railcars included in the Equipment and all other contracts for use of any one or more railcars included in the Equipment, including, without limitation, all extensions, renewals, supplements and modifications of any of the foregoing.

2. The Transferor hereby transfers, assigns, conveys, grants and sets over (collectively, "Transfers") to the Transferee, its successors and assigns forever, all of the Transferor's rights, title and interest as of such date in and to the Lease and under the documents attached as exhibits thereto in the form executed, as fully and entirely as the same would have been held and enjoyed by the Transferor as if this assignment had not been made.

3. The Transferor hereby Transfers to the Transferee all of the Transferor's right, title and interest in and to the special purpose railcars described on Schedule A hereto and made a part

hereof, together with all accessories, equipment, parts and appurtenances appertaining or attached thereto (the "Equipment").

4. The Transferee accepts, assumes, takes over and succeeds to all of the Transferor's rights, title and interest as of such date in and to the Lease, subject to the rights of Lessee under the Lease, and the Transferee hereby covenants and agrees to discharge, perform and comply with, and to be bound by, all the terms, conditions, provisions, obligations, covenants and duties of the Transferor under the Lease (but only to the extent it relates to the period from and after the date hereof), as if the Transferee were an original party thereto.

5. The Transferor hereby covenants and agrees that, at any time and from time to time after the date hereof, at the request and expense of the Transferee, the Transferor will promptly and duly execute and deliver, or cause to be executed and delivered, to the Transferee all such further instruments and take all such further action as may be reasonably requested by the Transferee to more effectively transfer, assign, convey, grant and set over the Lease to the Transferee.

6. The Transferee hereby covenants and agrees that, at the request and expense of the Transferor, it will hereafter execute any further assumptions or instruments of transfer or conveyance as may be reasonably requested by the Transferor to assume the Lease or to release the Transferor and its affiliates from their obligations under or on account of the Lease so long as such release will not prejudice the Transferee's rights, title and interest in and to the Lease.

7. The Transferor hereby warrants to the Transferee and its successors and assigns that, on the date hereof, the Transferor has, and at the time of delivery of the Equipment, the Transferor will have, good and marketable, legal and beneficial title to the Equipment and the Lease and good and lawful right to transfer the Equipment and the Lease free and clear of all liens, except the liens being released contemporaneously with such delivery and transfer. The Transferor hereby covenants to defend title to the Equipment and the Lease against demands of all persons whomever based on claims originating prior to the delivery of the Equipment.

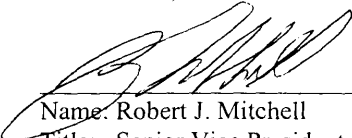

8. This instrument shall be binding upon the Transferee and the Transferor, their respective successors and assigns, for the use and purposes set forth and referred to herein, effective as of the date hereof.
